

TOILETING INTERVENTIONS

From an OT Perspective

Free virtual presentation

February 21, 2024

5pm-7:30pm

PRESENTED BY:

NIKKI ROTSHEIN,OTR/L

Since becoming an Occupational Therapist, Nikki has spent the past 23 years working exclusively in pediatrics and the last 16 of them at the Galvin Therapy center where “I can’t” becomes “I can.” Nikki is passionate about child development and being a part of the process.

When you gotta go...

Are you concerned because your child is not potty trained?

Are you frustrated and could use some training tips from a professional?

Join Nikki Rotshtein, OTR/L, who will discuss the challenges of potty training. This presentation will focus on methods to support children with sensory processing, anxiety, autism, and physical disabilities, but will also be helpful for caregivers of typically developing children.

Registration is required.
