

## Better Vision for 30,000 Underserved Individuals in 2022!

At National Vision, we believe that everyone deserves to see their best so that they can live their best. That is why we are excited to partner with you through our philanthropy program, **National Vision Cares**. We are on a mission to provide better vision to 30,000 individuals in need around the country by the end of 2022.

This is a BIG lift, and we are counting on your help to make it happen. Each of our stores has committed to providing 60 complimentary pairs of eyeglasses for underserved individuals within their community. Your organization is uniquely positioned to help us identify those in need of this valuable service. We have special vouchers available to individuals you serve. Each voucher is valid for one (1) comprehensive eye exam (by a licensed optometrist) and one (1) pair of eyeglasses.

*As you identify those having the greatest need for assistance in affording eye care, please let us know.*

**How do recipients (or the parents/guardians of recipients) redeem the voucher for themselves or their child? It's easy!**

### How Recipients Redeem a Voucher

- Voucher recipient (parent/guardian) should schedule an appointment for the complimentary eye exam. Vouchers can be redeemed at the America's Best Contacts & Eyeglasses store noted on the voucher or the recipient (parent/guardian) can contact the store or visit [www.AmericasBest.com](http://www.AmericasBest.com) to find the closest store location.
- The recipient should let the store know that they will be redeeming a *National Vision Cares* voucher.
- **PLEASE NOTE:** the recipient must bring a physical *National Vision Cares* voucher with them, or have made prior arrangements to receive one in the store, to receive the free pair of glasses. Voucher availability is limited – our stores normally receive 5 per month.

*Vouchers will be held at the store.*

Appointment times can book up quickly, so please encourage the recipient to contact the store as soon as possible.

Thank you for your support,
