

RESIDENTIAL SETTINGS TRAINING SERIES

PART 1 MAY 26 9:00-10:30

PART 2 JUNE 16 9:00-10:30

1155 LARC LN

TRAINING CENTER, DOOR O

This training provides SSAs and DSPs with a clear review of DODD's Residential Settings Rule. Participants will learn the key requirements for compliance, including person-centered practices, community integration, and residency agreements. The session uses real-world examples to help staff apply the rule in everyday residential settings.

WHY?

- ✓ Learn what the Residential Settings Rule really requires
- ✓ Know how to support choices while keeping people safe
- ✓ Understand what elements should and should not be included in a residency agreement.
- ✓ Understand what constitutes a provider-controlled setting
