

Jessi Martin

Staff Person of the Month October 2025

Jessi Martin is just months into their role as Service & Support Specialist, and they have clearly found their place on the team.

Jessi has proven to be a quick learner. They consistently demonstrate dedication in managing a particularly high-needs case and are not afraid to jump in wherever and whenever help is needed.

They often go above and beyond, staying late when necessary to ensure the individual's needs are met while maintaining regular and thorough communication with the team. Their proactive approach allows them to stay one or two steps ahead, anticipating challenges and preparing effective solutions.

Jessi's attention to detail is unmatched, and their positive presence contributes greatly to the members of their team.

It has been rewarding to see Jessi grow into the SSA role, and we look forward to their continued development as an integral member of the department and the agency.

Congratulations, Jessi, the Lucas County Board of Developmental Disabilities is pleased to recognize you as the October 2025 Staff Person of the Month.
