Kim Ingram

Staff Person of the Month
October 2026

Kim Ingram consistently goes above and beyond in support of both her colleagues and the families we serve.

As an Occupational Therapist in our Children's Department, she works closely with Developmental Specialists as a secondary service provider, bringing exceptional expertise, compassion, and professionalism to every interaction.

Kim has a remarkable ability to translate complex concepts into practical, easy-to-understand strategies, tailoring her approach to each family's unique needs, resources, and strengths.

Kim takes the time to build meaningful relationships with families, ensuring they feel supported, informed, and empowered. She is always prepared with a thoughtful plan for each visit and frequently follows up between visits when additional guidance is needed.

Her commitment to families extends beyond her expected responsibilities. Earlier this year, she attended a transition planning conference at a local school to advocate for a child when the Developmental Specialist was unable to attend. This level of dedication is truly exceptional, as therapists do not typically participate in these kinds of meetings.

Beyond her direct work with families, Kim is an invaluable resource to her coworkers. She is always willing to lend a hand, collaborate on solutions, brainstorm new strategies, and share her knowledge to help others better understand a child's needs. Approachable, supportive, and open to new ideas, Kim fosters a spirit of teamwork and celebrates every success, no matter how big or small.

Her unwavering commitment, expertise, and willingness to go the extra mile make a lasting difference in the lives of the families we serve and strengthen our entire team.

The Lucas County Board of Developmental Disabilities is proud to recognize Kim Ingram as the October 2026 Staff Person of the Month.
