Madison Williams

Special Recognition Award
October 2026

The Lucas County Board of Developmental Disabilities is proud to recognize Madison Williams with the October 2026 Special Recognition Award for her exceptional collaboration, professionalism, and commitment to protecting vulnerable individuals.

As an employee of Lucas County Children Services in the Assessment Department, Madison has demonstrated a strong dedication to partnership and accountability. Earlier this year, throughout a complex and intensive Major Unusual Incident (MUI) investigation, she worked closely with Lucas DD investigative staff, providing timely communication, critical information, and valuable insight that supported the investigative process.

Her collaboration with Lucas DD Investigative Agent Caitlyn Reeder helped ensure important facts were gathered and thoroughly evaluated. Their rigorous work led to the case being recommended for an Abuser Registry hearing.

Madison's responsiveness, teamwork, and shared commitment to health and safety exemplify the positive impact that can be achieved when agencies work together toward a common goal. Her efforts serve as an outstanding example of effective interagency collaboration and underscore the importance of strong community partnerships in safeguarding and supporting individuals with developmental disabilities.

We extend our sincere appreciation to Madison for her dedication, professionalism, and unwavering commitment to the well-being of others. Her contributions have made a meaningful difference and are truly deserving of this recognition. Congratulations, Madison!
