

# Lynn Browning

## Staff Person of the Month February 2026

This honor feels like it's long overdue for someone who brings so much heart, humor, and pure sunshine into the workplace.

Service and Support Specialist Lynn Browning has been with Lucas DD for 18 years, and in that time has become nothing short of a legend.

She handles on-call reporting like a seasoned pro, and her dedication to the individuals she supports is unmatched. If passion, commitment, and empathy were Olympic sports, Lynn would be bringing home the gold every time.

But what truly sets Lynn apart is the energy she brings into every room. She is the person who somehow manages to smile even on the days when the rest of us are held together by caffeine and sheer willpower. She's a breath of fresh air, equal parts grace, compassion, and that wonderfully spunky boho spirit that makes her uniquely Lynn.

Lynn is supportive, uplifting, endlessly patient, and always willing to share her wisdom. She approaches her cases with ease and empathy, making even the toughest situations feel manageable. She is someone whom her colleagues say is to be admired and inspiring to be like, both professionally and personally.

For making her team stronger, their days brighter, and work more meaningful, the Lucas County Board of Developmental Disabilities is proud to recognize Lynn Browning as the February 2026 Staff Person of the Month.
