

Nancy Cooper

Special Recognition Award February 2026

Nancy Cooper has been a dedicated volunteer with the Fraternal Order of Police Food Bank for more than 13 years, demonstrating an exceptional level of commitment, generosity, and compassion for her community.

Her long-term service reflects a true dedication to helping others, especially those with food insecurities.

In addition to her many years of volunteer work, Nancy has been married for 25 years and is a proud mother of two and grandmother of two. Despite her full family life, she consistently finds time to volunteer and is always willing to help whenever she is called. Her reliability and selflessness make her an invaluable part of the Lucas DD FANs Network.

Nancy consistently demonstrates a strong commitment to serving not only her immediate community but also anyone who visits the food bank. Over the past two years, she has been a pleasure to work with, displaying a clear understanding that a FANs Network request signifies a genuine need for members of a vulnerable population.

On multiple occasions, Nancy has kindly prioritized the needs of those served by the Board and FANs by temporarily pausing her other responsibilities to open the pantry and provide support. Nancy has a positive attitude and a caring heart, creating a welcoming environment for those she serves and for fellow volunteers.

Nancy and the FOP help approximately 500 people every month to have enough food in their homes to sustain them. She leads by example and has made a lasting, meaningful impact on countless individuals and families over the years.

With gratitude for her continued dedication and service to our individuals, the Lucas County Board of Developmental Disabilities is proud to recognize Nancy Cooper with the February 2026 Special Recognition Award. Congratulations!
