### **Staff Person of the Month March 2025**

Pamala Banner plays a vital role in supporting the Lucas County Board of Developmental Disabilities SSA Department, ensuring that the individuals we serve have the same rights and opportunities to reach their full potential in our community.

Since joining the SSA Department just over two years ago, Pam has been an exemplary Secretary. She is positive, encouraging and highly organized with outstanding communication and customer service skills. She treats everyone with respect and courtesy, always leading by example. No matter the task, Pam gives her best effort, willingly assisting the department and stepping up wherever she is needed.

Beyond her daily responsibilities, Pam volunteers at numerous community events and contributes wholeheartedly to any committee she joins. Her dedication to the mission of the Lucas County Board of DD makes her an inspiring role model for all. Every day, she asks how she can help others – a true testament to her selflessness and commitment.

Pam Banner embodies our mission and we are honored to recognize her as the March 2025 Staff Person of the Month. Congratulations Pam!
