Inspiring Advocacy, Nurturing Health, and Planning for Tomorrow

The Empowered Families Conference is a one-day event designed to support, educate, and connect parents of children with Down syndrome. Through expert-led sessions on topics such as advocacy, navigating Ohio waivers, special needs trusts, family grants, child development, and holistic health, families will gain valuable tools and resources to help their children thrive.

- Enjoy an insightful Keynote from Kristi Lorenc CNP, AFMCP
- Choose from two separate topics during each session
- Lunch included with every registration
- Visit with local vendors and organizations
