Meet Our Staff!

Connect with the team supporting the new Wire Cutting Initiative and meet the leadership team helping shape the future of Toledo VDES.

What is the Cord Cutting Initiative?

The Wire Cutting Initiative is a hands-on vocational program through ViaQuest that provides meaningful work opportunities focused on recycling and sustainability. Participants help recycle large quantities of cords and wires by carefully measuring, cutting, and sorting materials for proper disposal. This initiative is offered in partnership with Columbus Micro Systems.

**OPEN HOUSE EVENT FROM
11:30 AM-1PM ON JUNE 23RD!**
