Speaker (probably 6 - 6:30)

**Kevin Hofmann
Organizational Culture
& Inclusion Manager,
Lucas County Board of DD**

Kevin was born in Detroit in August 1967 two weeks after the riots that changed that city forever. By the time he turned 2 years old, he had survived an abortion, been given away by his mother, been adopted by a family of another race, and woken up to a burning cross in his front yard. Out of these amazing circumstances, his life began.

He will tell his story of these experiences: a story of struggle and joy, pain and passion, and most of all, hope.

**You may bring a
packaged dessert to
share.**

Gift Exchange

**Participating is optional - but
you have to bring a gift to get
one. Gifts should cost \$20 or
less, be wrapped, and be
suitable for a male or a female.**
